All prices are per 1 minute of a call and include VAT (20%)

* 1/1 tariff is per-second billing from the first second, 60/60 tariff is one minute billing from the first minute.

** The price for calls to the fixed network according to the selected VIPTel program applies.

*** The price is valid for calls to numbers from the range 12 xxx, except for numbers from the given range, which are listed separately in the price list.

**** The price depends on the routing of the *xxxx number. The *xxxx number can be forwarded as a call with a price for calls to the fixed network, mobile network or with a prefix 0800 or 0850.
