All prices are per 1 minute of a call and exclude VAT (20%)

\* 1/1 tariff is per-second billing from the first second, 60/60 tariff is one minute billing from the first minute.

\*\* The price for calls to the fixed network according to the selected VIPTel program applies.

\*\*\* The price is valid for calls to numbers from the range 12 xxx, except for numbers from the given range, which are listed separately in the price list.

\*\*\*\* The price depends on the routing of the \*xxxx number. The \*xxxx number can be forwarded as a call with a price for calls to the fixed network, mobile network or with a prefix 0800 or 0850.
